The most exhaustive look at
gender non-conforming/trans
identities in the Bible that I have
seen to date. Informative &
Accessible.

***Transfigurations:
Transgressing Gender
in the Bible***

I am excited to revisit familiar characters and narratives
with a new OtherWise lens. This is an extraordinary gift
to the trans community and to those, whether
transgender or cisgender, who wish to go deeper in the
texts to see those of us who have been hidden, erased,
and/or disparaged.

The Rev. Louis Mitchell
Executive Director of Transfaith
